Cerquilla 5 has been renovated to beautiful standards, using a mix of classic Mediterranean styled architecture with modern comforts. South west facing, the property basks in the maximum benefits of the Mediterranean climate and enjoys the sunsets over the greens of the golf course.

Set in a plot of 1.290m² and a total build of 305m², Cerquilla 5 has fluid living spaces and ample terraces of 303m² integrating the indoors with the out. A tiled roof adds a classically Spanish touch to the neutral exteriors. Entering the property, there is parking space for two cars and a landscaped garden area planted with mature trees.
