FABULOUS INVESTMENT PROPERTY, in need of refurbishment for a fantastic price....very low for this most sought after Marbella area. Just a short walk into the beautiful marina of Cabopino with its excellent restaurants and bars, beautiful sandy beaches and luxury yachts, this villa is in a perfect location. Built in the late 60's and renovated and extended by the existing owner in a rustic style, with wooden floors, oak beams and exposed brickwork. This house has 5 bedrooms, 4 bathrooms, large kitchen, lounge and separate dining room/summer lounge. The upper level hallway is galleried over the lounge. In addition there is a wooden guest house in the gardens with its own kitchenette, lounge, bedroom and bathroom also. Swimming pool, terraces and a driveway long enough for several cars. Whilst absolutely charming in its current style, some modernisation and upgrading required. Hence price....
