At ground floor level we have the hallway, cloakroom, spacious lounge/dining room and open plan kitchen, this room leading through large patio doors to the covered terrace with seating and dining area. Upstairs we find 2 double bedrooms plus bathroom and the master suite with bathroom, walk-in closet, bedroom and private terrace. At the lower level of the house, we have 2 further bedrooms, bathroom, lounge with an astonishing climatized bodega/wine storage room and garage. Designer light fittings can be found throughout.

The garden is immaculately kept with terraces, lawn and plants and a private swimming pool. One can enjoy the wonderful sea, golf and mountain views. The high quality, luxury furniture is available as an optional extra. The gated entrance to the 'community' provides a shared driveway leading to each of the houses and there is even a putting green for keen golfers. Located on Cabopino golf course and therefore just a few minutes away from the beautiful marina. This house must be seen to be appreciated!
