Location: La Cala Golf

Penthouse for sale in a new construction, opportunity to have a NEW PENTHOUSE in this urbanization because there are none left. The Penthouse has 3 bedrooms, 2 bathrooms, open kitchen in the living room and dining room. It has an area of 106.30 m2, a terrace of 28.65 m2 and a solarium of 74.49 m2. This Penthouse is the best in the entire residence due to its orientation, the person who bought it at the beginning was the first to buy this project so he has been able to choose the best.

It is located in the best part of La Cala Golf and offers an incredible open view of the sea, golf and mountains.

La Cala Golf is a very special place, you have 3 18-hole golf courses, a 5-star hotel, a SPA, tennis, squash, a gym, 3 restaurants, its "club house", a golf academy for children as well. It is a spectacular place to live or as a second residence.

Construction ends in June 2022.

The apartment is sold without furniture! the photos are those of the promoter because the project is not yet finished!
