The main house consists, on the one hand, on the upper floor, a spacious living-dining room, an open kitchen, two bedrooms and a completely renovated bathroom. From the living room you have access to a large terrace, perfect for family gatherings and cozy get-togethers, with beautiful views of nature and the sea. In the lower part of the building, which can be reached via the spiral staircase, or directly from the outside, we have an open living area and a fully equipped bathroom, as well as a covered terrace with lounge furniture. Adjacent to this house we find in the outdoor area a wonderful swimming pool and enough free space for sun loungers, ping pong tables or whatever you fancy. Furthermore, coming up the driveway, we have a large covered area for parking several vehicles. The second, or smaller house is located at the other end of the lot and has its own direct driveway. This home offers almost unbeatable views of the ocean and coastline. The living area is divided into living-dining room with open kitchen and a master bedroom with en-suite bathroom. Outside we have a small pool for refreshment on hot days, as well as enough terrace area for a nice time on site. The property offers plenty of flat space to get creative, and great fir trees for natural shade. Some fruit trees are already planted. This offer is a round package - private home with possibility of renting the second property, flat area to get creative: Keeping small animals, growing vegetables, small tennis court, reading corners or yet to put up a yurt - the choice is yours! We are pleased to be able to present this dream property to you soon, either personally or via virtual viewing. Because this world, it is unique - just like our Axarquía. In Andalusia.
