Location: Mijas Costa

This exclusive development with the best golf, lake and sea views in Fuengirola and Mijas consists of thirteen individual villas, each offering no less than four en-suite bedrooms. These unique luxury villas are considered larger and of a higher quality than others available on the Costa del Sol.

Three of the bedrooms are located on the upper floor of the villas, while another is adjacent to the living area. There is a large basement area with space for storage or expansion for other purposes such as additional bedrooms, a games area, gym, cinema, etc.

Geographically, the thirteen luxury villas are arranged in an arc that wraps around one of the greens of the golf course.

Thanks to this, this project has one of the best panoramic views on the entire Costa del Sol.
