Customized finishes. 500 meters from the beach.

New residential in Mijas Costa, in a unique environment for a new housing concept. The private urbanization has 166 homes and penthouses of 2, 3 and 4 bedrooms with spacious and unbeatable common areas. Its architecture and design has been studied to give prominence to the terraces, which seek the light and breeze provided by the Costa del Sol.

The houses combine versatility and comfort thanks to their diaphanous and optimized spaces. Example of this are the kitchens with island, open and integrated with the living room. The bedrooms have direct access to the terraces, to enjoy the breeze in moments of rest. In the penthouses, the terraces are more spacious and with panoramic views of the Mediterranean Sea. The low ones have a private garden.
