Nestled in the exclusive Stupa Hills of Benalmadena, this newly built penthouse offers an unparalleled living experience with breathtaking panoramic views of the Mediterranean Sea, the surrounding hills, and the iconic Stupa of Enlightenment. Spanning over 200 square meters of luxurious space, the penthouse boasts an open-plan design, flooded with natural light, and finished to the highest standards.

The spacious living area seamlessly blends modern elegance with comfort, featuring large floor-to-ceiling windows that open onto expansive terrace perfect for outdoor dining or simply relaxing while enjoying the stunning views. The contemporary kitchen is a chef's dream, equipped with top-of-the-line appliances, sleek countertops, and ample storage.

The penthouse offers three generously sized bedrooms, including a master suite with its own private terrace, walk-in closet, en-suite bathroom, rain shower, and dual vanities. The two additional bedrooms are located on the entry level and share a beautifully designed bathroom.

Additional features include water based underfloor heating in every room, integrated air conditioning, and home automation system. The property also benefits from private parking, a communal infinity pool, lush gardens, and a fully equipped gym, making it a perfect blend of luxury and convenience.

Located just minutes from the charming town of Benalmadena and its vibrant beaches, restaurants, and cultural attractions, this penthouse offers the ultimate in coastal living, where every detail has been carefully curated to provide an exceptional lifestyle in one of the most sought-after areas of the Costa del Sol.
