Spacious beachfront penthouse in Bahía de la Plata, Estepona

Located in the exclusive Bahía de la Plata community, this newly renovated beachfront penthouse in Bahía de la Plata, Estepona offers an unbeatable blend of comfort, style, and coastal convenience. Set over two bright and spacious levels, the home spans 320 square meters, with 175 m² of interior space and 140 m² of terraces, capturing sweeping views of the Mediterranean Sea from every angle.

Step inside and you'll find an elegant layout designed to accommodate both laid-back living and entertaining. The main floor hosts a sleek independent kitchen with Siemens appliances, flowing into an open-plan living and dining area. The south-facing orientation ensures natural light floods the home throughout the day. Three generously sized bedrooms, including a master suite with terrace access, offer privacy and comfort. Upstairs, an additional bedroom and bathroom create the perfect guest suite, home office, or private getaway.

The outdoor space is a true highlight. From the heated private pool on the sun-soaked terrace to a cozy north-facing nook ideal for morning coffee or evening drinks, this home is crafted for year-round enjoyment.

Within the secure, 24-hour gated complex, residents enjoy resort-style amenities: an indoor and outdoor pool, modern gym, and padel court. Plus, with three underground parking spaces, two storage rooms, and full furnishings included, this property is ready to move in.

Bahía de la Plata is one of Estepona's most desirable beachfront neighborhoods, just minutes from Playa del Cristo and close to dining, shopping, golf, and international schools. Whether you're looking for a holiday home or a permanent residence, this beachfront penthouse delivers a high-quality lifestyle in a prime Costa del Sol location.

Schedule your private viewing today and take the next step toward coastal living.
