Exclusive 4-bedroom townhouse by the sea in Miramar, Fuengirola

We present this fantastic townhouse located in one of Fuengirola's most sought-after areas: Miramar, just a few meters from the seafront promenade and with the Parque Fluvial right next door. An ideal setting for enjoying the sea, going for a walk, cycling or rollerblading, or simply relaxing with views of Sohail Castle. All this, with the convenience of having the shopping center just a step away.

The home is spread over three floors. Upon entering, we are greeted by a large front terrace perfect for sunbathing, hosting barbecues, or unwinding with a good book. A charming covered porch extends the living room, creating a cozy atmosphere that connects to the kitchen. From here, we access a pleasant backyard. A guest toilet is located on this same floor.

The upper floors house the four double bedrooms and three bathrooms, including a spacious master bedroom and two bedrooms with en-suite bathrooms.

The complex offers a large communal pool surrounded by perfectly maintained tropical gardens, with direct access to the promenade. So, you can take a dip in the summer, even when the sea is rough.

The complex also has night security for added peace of mind, although it is a very safe area, with the local police station just two minutes away.

A charming property in an unbeatable location, perfect for enjoying with family and friends. What are you waiting for?
