Monte Halcones Villa with Panoramic Views in Benahavis

Set in the exclusive Monte Halcones enclave of Benahavis, this remarkable 2025 villa combines modern architecture, luxurious features, and breathtaking panoramic views. South-facing and spread over three levels, the property offers 803 sqm of interior living space complemented by 196 sqm of sunny and shaded terraces—ideal for year-round outdoor living.

The villa includes seven spacious en-suite bedrooms, including a guest apartment on the main level and a master suite with stunning views on the top floor. The main floor also features a sleek designer kitchen, elegant dining space, and an open-plan living room with floor-to-ceiling windows framing the Mediterranean and mountain vistas.

Built for comfort and entertainment, the lower level is home to a private gym, spa, cinema and games room, as well as a wine bodega. A laundry area and an additional bedroom complete this floor. Outside, the large pool, manicured gardens, and multiple lounging areas make it perfect for hosting or relaxing.

Functionality is key, with features such as a covered garage for three cars—specifically designed to accommodate low-suspension vehicles—plus extra outdoor parking. Double glazing and a full alarm system ensure security and peace of mind.

Monte Halcones is one of Benahavis' most prestigious locations, just minutes from shops, restaurants, supermarkets, golf courses, and international schools. This villa offers a serene setting with unbeatable convenience along the Costa del Sol.
