New Development in Estepona Offering Elegant Mediterranean Living

The Oak 48 is a stylish new development in Estepona, combining thoughtful design and modern comfort in one of Costa del Sol's most desirable locations. Set just minutes from the marina, old town, and Punta de Plata Beach, these 48 exclusive apartments enjoy sweeping views over the Sierra Bermeja mountains and the Mediterranean Sea.

Choose from 1, 2, or 3-bedroom layouts, each with generous terraces, smart floor plans, and sunlit interiors. Penthouses take luxury a step further, offering private rooftop solariums and pools. Every apartment is delivered fully equipped — from fitted kitchens with appliances to integrated air conditioning and double-glazed windows that ensure energy efficiency and peace of mind.

The Oak 48 is more than a place to live — it's a residential experience. The gated community includes landscaped gardens, a spacious communal pool, a fully fitted gym, coworking spaces, and a social lounge for residents. Underground parking and storage units are also included.

Located in a peaceful and well-connected part of Estepona, the development sits close to supermarkets, schools, golf courses, and everything needed for year-round living or an ideal holiday base. Málaga Airport is just 45 minutes away, making it easy to come and go.

If you're seeking design-forward, high-quality living on the Costa del Sol, The Oak 48 offers a standout option in modern Mediterranean real estate.
