Altoasis Residences, new homes in Estepona on the Costa del Sol.

Altoasis Residences is an exclusive development of 87 fully refurbished townhouses, ready to move into, located in the western area of Estepona, next to the new High Resolution Hospital and front line to the golf course. This enclave, currently experiencing a residential boom, is establishing itself as one of the most prestigious and promising destinations on the Costa del Sol.

The homes are distributed over two floors plus a basement, featuring three bedrooms and two bathrooms, spacious private terraces and, in some cases, a solarium with stunning sea and golf views. With a modern design inspired by Mediterranean architecture, they offer bright living spaces, marble flooring, double-glazed windows, electric blinds, and a hydromassage bathtub designed for your comfort and wellbeing.

The residential complex includes exclusive communal areas such as indoor and outdoor swimming pools, a spa, a gym, and redesigned gardens that promote harmony and relaxation. The development is undergoing a complete renovation, both inside and out, to provide an environment of high quality, functionality, and elegance.

Altoasis offers privileged access to events and golf tournaments at the most prestigious clubs in the area. A unique environment for golf enthusiasts.

Thanks to its strategic location, surrounded by nature and perfectly connected to Estepona, Marbella, Sotogrande, and the airports of Malaga and Gibraltar, Altoasis offers a unique opportunity for both investment and lifestyle on the Costa del Sol.
