Striking Contemporary Villa in Lomas de La Quinta, Benahavis with Panoramic Sea Views

Step into architectural brilliance with this brand-new villa designed by Carlos Lamas in the prestigious, gated enclave of Lomas de La Quinta, Benahavis. With sleek lines, open interiors, and panoramic views of the Mediterranean, this south-facing villa offers a refined lifestyle across three luxurious levels.

On the top floor, you're welcomed by a double-height entrance that sets a bold tone. Four large bedrooms, all elegantly designed, ensure restful nights and stylish comfort. The elevator links every floor, allowing seamless access throughout the home.

The main level focuses on living and leisure, featuring a chic Modulnova kitchen, a formal living room with an oversized fireplace, and a TV lounge. A walk-in wine cellar elevates the dining experience. Step outside to generous terraces with a fully equipped outdoor kitchen, al fresco dining, and an infinity pool that frames endless sea views.

Downstairs, the entertainment continues with two more bedrooms, a cozy lounge with a cocktail bar, an indoor pool, a gym, and a sauna—creating your own private wellness retreat. The villa also includes a three-car garage with ample space for guests and security.

This is more than a luxury home—it's a modern statement, nestled in nature and crafted with purpose in one of Costa del Sol's most sought-after communities.
