Spectacular Spanish finca with panoramic views to the Bernia Mountain. The property has only got the structural walls but there is a project to finish it with stone walls, covered naya, living/dining room with burning fireplace, 3 double bedrooms with built in wardrobes, two bathrooms, one of them en-suite, 1 courtesy toilet, outside terrace, parking for several cars, kitchen, bbq, store room, central heating, double glazed windows and doors and wooden windows. This property is ideal to convert it into a mountain restaurant or B[amp,]B. There is the option to add 30.000 sqm more making a final piece of land of 60.000 sqm for only 35.000 € more.
