It is an urban building, with high-quality homes and finishes, designed to meet the current needs of future residents.

Its most outstanding note is undoubtedly the fantastic swimming pools on the roof of the building, which will give the owners the privacy and relaxation, desired in the Building. Its large terraces, as well as an impeccable attention to detail in each of the houses, make this building one of the most distinguished in the area.

With respect to the previous phase, it has some improvements such as fully installed air conditioning, kitchen furnished with a modern finish (without appliances) and as always top quality finishes. It will also have a beautiful garden area and a spectacular infinity pool on the roof.

The building consists of a total of 116 homes, with 2, 3 and 4 bedrooms.

All kinds of facilities on foot and also bike path to the beach and the promenade of Puerto Banus
