Modern new build flats in Benahavis with sea views and pool.

New construction project of 50 + 8 luxury flats. The architectural design of the façade facing the street, the sizes and internal distributions of the houses and the large sunny terraces with panoramic views, are the basic characteristics of Aqualina. In the chapter of amenities, the promotion has the best qualities. The promotion will also have a swimming pool and a gym. In front of La Quinta Golf Course and overlooking the sea, the Alborada urbanisation, where the Aqualina project is located, is surrounded by 10 of the most famous golf courses on the Costa del Sol, such as Los Arqueros Golf & Country Club, Higueral Golf or La Quinta Golf, and has quick access to the main motorways and international airports in just 45 minutes (Malaga and Gibraltar) and only 10 minutes from Puerto Banús.
